

C1

Zaawansowana narracja w przeszłości

Na poziomie C1 czasy przeszłe służą nie tylko do określania czasu wydarzeń. Pozwalają także:

- budować tło,
 - porządkować wydarzenia,
 - podkreślać wcześniejsze doświadczenia,
 - pokazywać czas trwania,
 - wyjaśniać przyczyny,
 - zmieniać perspektywę narratora,
 - tworzyć bardziej precyzyjną narrację.
-

Past Simple jako główny czas narracji

Past Simple prowadzi wydarzenia do przodu:

I opened the door, walked into the room and switched on the light.

Past Continuous jako tło

Past Continuous opisuje sytuację, która już trwała.

It was raining heavily, and the streets were almost empty.

Past Perfect jako cofnięcie narracji

Past Perfect pozwala wskazać wydarzenie wcześniejsze.

I couldn't understand why she was angry. I had never seen her like that before.

Past Perfect Continuous

Podkreśla proces lub czas trwania przed wydarzeniem.

He was exhausted because he had been working all night.

Mixed past forms

W jednej historii możemy wykorzystać kilka czasów:

I was walking home when I saw an old friend. I hadn't seen him for years, and I had completely forgotten about our last conversation. We talked for a while, and then he told me that he had been

living abroad since university.

Narrative perspective

Porównaj:

I lived there for five years.

→ fakt.

I had lived there for five years when I decided to move.

→ okres zakończony przed innym wydarzeniem w przeszłości.

I had been living there for five years when I decided to move.
